

### Vision

Enrich the community and promote a healthy lifestyle by facilitating the creation of a network of public trails and greenways.

### Mission

- To promote the importance of greenways and trails to the quality of life within the community.
- To plan for and facilitate the development, implementation and improvement of a greenway and trails network within Shawano County and adjacent areas for recreation and alternative transportation.
- To sponsor and provide various opportunities for healthy outdoor activities for all ages.
