Graceful, Gorgeous...
The small front coviners in the quilt of Gresham, these hazy green patterns capture the quaint flavor from the old and put up a test against the gloomy season. The quilt was created by volunteers from the Gresham Area Advance Association (GAAA) and sold to raise money for the project. The quilt squares are designed with a variety of patterns and colors, including flowers, stars, and geometric designs.

Gresham Route

These routes were developed by Shawano Pathways by attempting to use low volume/bicycle friendly roadways that bring riders to the most barn quilt destinations. Shawano Pathways and East Central WI Regional Planning Commission assumes no liability for the safety of riders using these routes and riders must assume all of the risks associated with bicycling in public roadways with vehicular traffic.
