For your safety please wear your helmet, wear brightly colored or reflective clothing, and be sure to follow all of the "rules of the road"!!

Shawano Pathways and East Central WI Regional Planning Commission prepare routes developed by Shawano Pathways by attempting to use low volume/bicycle friendly roadways that bring riders to the most scenic park destinations. The commission assumes no liability for the safety of riders using these routes and riders must assume all of the risks associated with bicycling in public roadways with vehicular traffic.
