

Leopold Bench Order Form

All benches are made from treated lumber. Unfinished wood arrives tan, and it will weather with age. ~~The weathered stain will give the bench a gray-ish appearance immediately.~~ (Weathered stain no longer available.) Indicate how many benches of each length and finish you would like. When we receive payment we will build a Leopold Bench for you!

If you are within 20 miles of downtown Shawano, we will deliver for free. If further away, let us know and we will arrange a time for you to pick it up from us or deliver for a \$.40 per mile fee. For example, 25 miles from city of Shawano = \$10 delivery (\$0.40 x 25 = \$10.00.)
