

2021 WI Trail Pass Order Form

A state trail pass is required for all people age 16 or older biking, cross-country skiing, horseback riding or in-line skating on certain trails. A state trail pass is not required for walking or hiking. The annual pass is good for the calendar year and the daily pass is good for the day of purchase.

Money from the sale of state trail passes is deposited into the parks segregated account of the state Conservation Fund. The trail fee revenues are used for maintaining and operating state trails, parks and recreation areas. Buying your trail pass from a Shawano County vendor helps allocate more money to Shawano County trails.

A Great Gift for Friends and Family
